## **RECOMMENDATIONS**

EU wide information exchange between support agencies when vulnerable person moves country.

Increased training for staff to recognise potential signs of DA.

Risk assessment to be the same across organisations.

Campaign around raising awareness for DA.

Staff awareness regarding procedures around raising adult safeguarding concerns and are aware of key components of The Care Act 2014.

Recording correct names, dob and other information and individuals to be asked key questions to verify identity.

Communication strategy involving communities, private landlords, voluntary groups, employers and employment agencies around DA.
